Presentation sessions

Present your project in front of pharma, biotech companies, TTOs and VCs **and find partners** who share your vision.

Start-up Slams

• The Start-up Slams are dedicated to entrepreneurs who are about to create or have created an innovative company (≤ 5 years old). The selected candidates will receive advice and feedback («speed-mentoring») from a panel of experts.

Licensing Opportunity Presentations

• The Licensing Opportunity Presentations are dedicated to TTOs, universities that have ready-to-be-licensed technologies. The aim of this session is to foster alliances and business development opportunities on innovative projects stemming from academia.

Deadline to apply: 30th June 2018

The presentation sessions are free for BioFIT delegates
