# Presentation sessions

---

Present your project in front of pharma, biotech companies, TTOs and VCs and find partners who share your vision.

## → Start-up Slams

- The Start-up Slams are dedicated to entrepreneurs who are about to create or have created an innovative company ( $\leq 5$  years old). The selected candidates will receive advice and feedback («speed-mentoring») from a panel of experts.

## → Licensing Opportunity Presentations

- The Licensing Opportunity Presentations are dedicated to TTOs, universities that have ready-to-be-licensed technologies. The aim of this session is to foster alliances and business development opportunities on innovative projects stemming from academia.
