Your One to One Events

 **Face-to-face meetings on November 29th & 30th**
 **Online meetings on December 7th & 8th**

R&D dating for animal health and innovation

The 8th edition of the "R&D dating for Animal Health and Innovation" business convention is hosted by BioFIT 2022.

Project - CEO matchmaking

Are you a bioentrepreneur seeking a project? Do you have projects needing a CEO?

The Project - CEO matchmaking session will be the opportunity to establish future collaborations between bioentrepreneurs and projects in need of a CEO.

CONFERENCES

 **60+**
high-level speakers

Steered by a prestigious committee, the BioFIT 2022 conference programme is tailored to match the interests of every actor of the sector. Rooted in four custom-made tracks, the conference sessions bring together international experts to discuss the current stakes of the early-stage innovation in the life sciences sector and focus on:

 The recording of the BioFIT conferences will be available online from **December 7th** and for 30 days afterwards!

Partner
Theodorus Investment Funds

PITCH SESSIONS

Start-up Slams

Supported by: 

The Start-up Slams are a great opportunity for **young companies** (and particularly for start-ups seeking to raise a seed or a Series A financing round) to showcase their project in front of potential partners and investors.

Collaborative and Licensing Opportunity Presentations

The Collaborative and Licensing Opportunity Presentations enable **TTOs, universities, research institutes** and **companies** to showcase their early-stage technologies in front of potential partners, in order to entail a collaborative project and/or a licensing deal.

Animal Health Presentations

Sponsored by:  **SIMV**
SYNDICAT DE L'INDUSTRIE DU
MÉDICAMENT ET DIAGNOSTIC VÉTÉRINAIRES

Supported by:  **Boehringer Ingelheim** 

The Animal Health Presentations allow **young companies, TTOs, universities, research institutes** and **companies** to showcase their innovative project in front of potential partners and investors in the Animal Health sector.

The winners will be awarded as the most innovative start-up and the most promising technology in Life Sciences and Animal Health.

Selected candidates will have the opportunity to prepare for D-day by participating in a **warm-up session**, to help them improve their pitch thanks to the valuable coaching and feedback from BioFIT's Steering Committee members.

 On-demand videos of the 2022 pitchers will be available from **December 7th** and for 30 days afterwards!
