PITCH SESSIONS

Start-up Slams

The Start-up Slams are a great opportunity for **young companies** (and particularly for start-ups seeking to raise a pre-seed, seed or a Series A financing round) to showcase their project in front of potential partners and investors.

Collaborative and Licensing Opportunity Presentations

The Collaborative and Licensing Opportunity Presentations enable **TTOs, universities, research institutes and companies** to showcase their early-stage technologies in front of potential partners, in order to entail a collaborative project and/or a licensing deal.

Animal Health Presentations

Co-organised by:  **SIMV**
SYNDICAT DE L'INDUSTRIE DU
MÉDICAMENT ET DIAGNOSTIC VÉTÉRINAIRES

The Animal Health Presentations allow **start-ups, mature companies, TTOs, universities and research institutes** to showcase their innovative asset(s) in front of potential partners and investors in the Animal Health sector.

THE WINNERS WILL BE AWARDED AS THE MOST PROMISING EARLY-STAGE INNOVATIONS IN **LIFE SCIENCES AND ANIMAL HEALTH.**

Selected candidates will receive valuable coaching and feedback from Life Sciences experts in a warm-up session, to improve their pitch for D-day.
