Conferences and roundtable discussions

The BioFIT Steering Committee offers a broad programme organised around three tracks:

Track 1 New players involved in innovation in the health sector

Track 2 Maturing and licensing early-stage assets

Track 3 Bioentrepreneurs' challenges at the seed and Series A stages

14
panel
discussions

60
high-level
speakers

Presentation sessions

Present your project in front of pharma, biotech companies, TTOs and VCs **and find partners** who share your vision.

Start-up Slams

- The Start-up Slams are dedicated to young entrepreneurs (≤ 5 years) who have created or are about to create an innovative company. The selected candidates will receive advice and feedback from an expert jury.

Licensing Opportunity Presentations

- The Licensing Opportunity Presentations are dedicated to TTOs who have ready-to-be-licensed technologies. The aim of this session is to foster alliances and business development opportunities on innovative projects stemming from academia.
