THE EVENT**

Conferences and roundtable discussions

The BioFIT Steering Committee offers a **broad programme** organised around three tracks:

Track 1

New players involved in innovation in the health sector

Track 2

Nurturing and licensing early-stage assets

Track 3

Bioentrepreneurs' challenges at pre-seed, seed and Series A stages

15

panel discussions

70

high-level speakers

Pitch sessions

Present your project in front of pharma, biotech companies, TTOs and VCs and find partners who share your vision.

→ Start-up Slams

- The Start-up Slams are dedicated to young entrepreneurs (≤ 5 years) who have created or are about to create an innovative company. The selected candidates will receive advice and feedback («speed-mentoring») from a panel of experts.

→ Licensing Opportunity Presentations

- The Licensing Opportunity Presentations are dedicated to TTOs, universities that have ready-to-be-licensed technologies. The aim of this session is to foster alliances and business development opportunities on innovative projects stemming from academia.
