WOULD-BE CEO

As talented CEOs are frequently sought-after by many stakeholders of the biotech industry, this “Would-be CEO activity” will bring together representatives of emerging start-ups, technology transfer offices, incubators and investing networks as well as CEOs and would-be CEOs to address this important issue.

CONFERENCES

Supported by a prestigious Steering Committee, the BioFIT **conference programme** is organised around three tracks:

1 TRACK

Best practices in academia-industry
R&D collaborations

2 TRACK

Nurturing and licensing
early-stage assets

3 TRACK

Early-stage innovation:
Identify the right funding sources

15
panel discussions

80
high-level speakers

PITCH SESSIONS

The BioFIT pitch sessions offer the opportunity to detect the most innovative and promising start-ups, R&D projects, licensing opportunities and services in order to foster partnerships and business development in the Life Sciences field.

START-UP SLAMS

The Start-up Slams are a great opportunity for **young companies or companies in creation** (and particularly start-ups seeking to raise a seed or a Series A financing round) to showcase their project in front of potential partners and investors in the Life Sciences field.

COLLABORATIVE AND LICENSING OPPORTUNITY PRESENTATIONS

The Collaborative and Licensing Opportunity Presentations are a great opportunity for **TTOs, universities, research institutes and companies** to showcase their early-stage assets in front of potential partners in the Life Sciences field, in order to entail a collaborative project and/or an opportunity to out-license.

SERVICE PRESENTATIONS

The Service Presentations are a great opportunity for **service providers and technology platforms** to showcase their offers in front of potential clients in the Life Sciences field.
